## STUDENT ABSENCES

Thank you to those parents who inform us when their child is absent.

Unexplained absences do create a lot of work as we carry out absence checks every day and use the services of Tokoroa Truancy Service. Please help us by ringing the school office every time your child is away from school.

## SCHOOL IMMUNISATION PROGRAMME 2010

Thank you to those parents who have returned the consent forms for the upcoming Year 7 Boostrix and Year 8 Girls HPV immunisation. However, there are still quite a few forms outstanding.

Whether your child is or is not being vaccinated at school, you need to fill in the relevant sections with your child's name and details on it and return it to school.

### **Each child's form must be returned.**

If you did not receive a form or have misplaced it, please request one from the school office.

## SELF REFERRAL CLINIC

Tokoroa Intermediate is offering a Student Health Clinic on Tuesday afternoons during school terms.

The purpose of the clinic is primarily one of providing young people with a space at school where they can safely and privately ask questions about things that are bothering them. Students will be able to access the clinic by making a booking through the school office. Parents wanting advice about their child's health and development are also welcome to book an appointment.
