## ATHLETICS

The school Athletic Sports were held today at the school grounds on a cool but dry day. Students' participation throughout the lunchtime Athletics programme and on the day has been high and they were well supported by a large group of family, whanau and friends of the school, who came along to support their children.

Results will be published in next week's newsletter and a team will be picked to participate in the Waikato Intermediate Athletics on Tuesday 1 December at the Porritt Stadium in Hamilton.

## BOT MEETING

The next BOT meeting will be held on Wednesday, 18<sup>th</sup> November in the staffroom.

## SELF REFERRAL CLINIC

The Student Health Clinic is open on Tuesday afternoons during school terms. Students will be able to access the clinic by making a booking through the school office. Parents wanting advice about their child's health and development are also welcome to book an appointment.

## ATTENDANCE

As we come to the end of 2009 I need to remind parents that attendance is still important and that if your child is sick and unable to attend school, we still require you to phone the school to ensure we record the reason for your child's absence. Thank you for your assistance with this.

## UNIFORMS – To be donated or sold on behalf of

In January we have a second hand uniform sale, which is always very popular. For Year 8 students who are leaving at the end of this year and have no brothers or sisters coming on to Intermediate, school uniforms can be donated to the school or we will sell them on 'behalf of parents'. We are willing to take winter and spare uniforms now. They must be clean (washed). Year 8 students who are willing to donate or have their uniforms 'sold on behalf' can come to school on the last day of the year in mufti. For inquiries please contact the office.

## SCHOOL FEES

A reminder that any unpaid school donations (\$50.00 per pupil, \$45.00 per pupil if two children attend) will be gratefully received and that outstanding paper fees (\$5.00 per child) need to be paid to ensure your child is eligible for a social invite.

The majority of the school donation is used for Technology resources. This means that instead of students having to bring eggs, cheese, bacon etc before they can cook, the school provides all the ingredients.

Similarly in Materials: instead of students having to bring money to pay for their wood / materials before they start a project, all materials are provided by the school.

**Drink Remix!**

**swap:**

Fruit juice

**for:**

Iced / naturally flavoured water

- One glass of fruit juice a day is fine, but any more is adding unnecessary sugar.
- If you don't like plain water, try it chilled or flavoured with slices of lemon, mint or orange slices
