## MATHEMATICS SCHOLARSHIP

Kathy Redwood has once again sponsored a mathematics scholarship for a Year 8 student to receive tutoring once a week through her business Mathzwise.

The scholarship is worth over \$1000 to the winner and runs for the remainder of 2008, the winner this year is Anika Putt from Room 2.

Teachers in Year 8 nominated students from their classes who met the scholarship's criteria, Kathy interviewed a number of the students before deciding on the eventual winner.

We would like to thank Kathy for her on going support of our school through the sponsorship of this scholarship.
