BUILDING FOR DISPOSAL

The Board of Trustees has recently built a storage shed near the Elizabeth Drive exit. This means that we need to dispose of the old classroom that has been used for storage in recent years.

We welcome inquiries / expressions of interest from members of the school community regarding this building. There is some urgency relating to this as we need to clear this site and regrass it as soon as possible.

Please contact me via the school office if you wish to discuss this.

Phil Straw, Principal
