REPORTS/INTERVIEWS

Week 2 of Term 3 will see the second opportunity for parents/caregivers to participate in interviews with teachers and children about progress so far this year. A written report covering the basic areas of Mathematics, Reading and Writing will also be issued at that interview. Reports from Technology/Arts and Language Support Programmes will also be available.

We urge you to take this opportunity to sit with your child and your child's teacher and talk about their learning and the progress they are making.

Letters requesting interviews will come home during week 1 of the new term. Please respond to these quickly. Please also note we want your child involved in this interview, they are an integral part of the learning process and they need to hear what is discussed and contribute to the discussion.

SOCIAL

Congratulations to the large group of students who enjoyed last night's social. My thanks to Mr Creigh-Smith and staff for organising the event.

MUFTI DAY

Tomorrow, Thursday 24 June, we will have another Mufti Day. Children in Mufti will have to bring \$2.00. The money raised will be donated to the Child Cancer Foundation and the SPCA.

LAKE MOANA NUI CLEAN UP

The school leadership group is working with their mentors to carry out a clean up around Lake Moana-Nui on the afternoon of July 2nd (last day of school). Planning for this is underway and the children selected to be part of this will bring home letters and permission slips over the next week. The group has the support of Westpac, Sir Peter Blake Trust and South Waikato District Council for this activity.

SHORT LUNCH HOURS

Parents who need to find out if the lunchtime is shortened because of wet weather can phone the school on **886 0804** from 12.15 pm on, and listen to the recorded message. There will be no short lunches on Fridays as long as Electives are on.

KAPA HAKA

As the Kapa Haka tutor is on maternity leave there will be no Kapa Haka practice this week.

CLASSIC HITS RADIO FORESTLAND 88.5FM

Students from Tokoroa Intermediate will be interviewed each week about news and events happening at the school. These interviews will take place between 7.30 and 8.00 am every Friday during school terms.

TELSTRA CLEAR REWARD POINTS

If any parent has a cell phone, broadband or landline on the Telstra Clear network the school can get reward points. If you are a customer of Telstra Clear and would like to sign up for the reward system, you can do this online on www.intelligentrewards.co.nz or contact the school office.

WEEKLY NEWSLETTER

If you would like to receive our newsletters on e-mail please ring the office on 886 7687 or send an e-mail to office@tokoroa.school.nz

FOOD LABELS

Heart Foundation Tick

The heart foundation tick is a labeling programme run by the NZ Heart Foundation. Here are a few key points about the heart tick and how to use it.

- The tick indicates that it is a healthy option when looking at specific heart healthy nutrients – energy, fat, saturated fat, sugar and salt/sodium.
- Manufacturers have to apply and pay for their product to be analyzed and if it meets the criteria it's then awarded the tick.
- If a product doesn't have the Heart Foundation tick it doesn't mean it's not a healthy choice – check the nutrition information panel.
- Not all products with the heart tick are healthy, some are still sometimes or occasional foods.

Remember, the Heart tick is a good guide but always read the label.
