REPORTING/PARENT INTERVIEWS NEXT WEEK

I appreciate there has been a great deal to read about reports this term.

As we enter a new system it is important that there is as much understanding as possible. Please start by re-reading last week's newsletter.

Also remember:

These are interim judgements based on the work your child has completed (including testing) so far this year. The judgements are **based on the National Standard for your child's year level at the end of 2010**. This *could* mean that a child who is currently at or below this standard *may* achieve above or at by the end of the year.

We do look forward to meeting with you and working with you to assist your child's learning.

Phil Straw, Principal
