**Kia Ora    Kia Orana    Talofa Lava    Greetings**

*Dear Parents / Caregivers,*

This Friday, at the normal time, school closes for the holidays. The holiday break is for two weeks with school restarting on Monday, 19<sup>th</sup> July at 8.50 am.

Have a safe and restful time. We will see you back after the holidays refreshed and ready for another busy term.

*Phil Straw, Principal*

## **REPORTS/INTERVIEWS**

Week 2 of Term 3 will see the second opportunity for parents/caregivers to participate in interviews with teachers and children about progress so far this year. A written report covering the basic areas of Mathematics, Reading and Writing will also be issued at that interview. Reports from Technology/Arts and Language Support Programmes will also be available.

We urge you to take this opportunity to sit with your child and your child's teacher and talk about their learning and the progress they are making.

Letters requesting interviews will come home during week 1 of the new term. Please respond to these quickly. Please also note we want your child involved in this interview, they are an integral part of the learning process and they need to hear what is discussed and contribute to the discussion.

## **CLEAN THE GOOEY FROM LAKE MOANA NUI**

At Tokoroa Intermediate we have been learning about sustainability. We are on a mission to let people know that we have only got one planet, so we have to look after it.

We are going to show our leadership by leading a huge clean-up for Lake Moana Nui on the 2<sup>nd</sup> July from 1 to 3 pm. At least one third of our school will be there, and there will be no problems with hygiene because we are providing the hand sanitizer and gloves. Remember you used to swim there? Imagine what it would be like to have a free pool for your kids?

You will need closed-in shoes and old mufti clothes and maybe a towel. Many hands make light work, so come on down and clean the gooeey from Lake Moana Nui. For the rest of the school not involved in the clean-up: you will need to return to your class as you will be planning other sustainability projects with your teachers.

## **NETBALL – CANCELLATION**

This Thursday, 1 July a training session with Dale Atkinson from Sports Force Waikato for Year 8 players and netball coaches was scheduled. This has now been cancelled.

## **SHORT LUNCH HOURS**

Parents who need to find out if the lunchtime is shortened because of wet weather can phone the school on **886 0804** from 12.15 pm on, and listen to the recorded message.

## **CLASSIC HITS RADIO FORESTLAND 88.5FM**

Students from Tokoroa Intermediate will be interviewed each week about news and events happening at the school. These interviews will take place between 7.30 and 8.00 am every Friday during school terms.

## **TELSTRA CLEAR REWARD POINTS**

If any parent has a cell phone, broadband or landline on the Telstra Clear network the school can get reward points. If you are a customer of Telstra Clear and would like to sign up for the reward system, you can do this online on [www.intelligentrewards.co.nz](http://www.intelligentrewards.co.nz) or contact the school office.

## **WEEKLY NEWSLETTER**

If you would like to receive our newsletters by e-mail please ring the office on 886 7687 or send an e-mail to [office@tokoroa.school.nz](mailto:office@tokoroa.school.nz)

**FOOD LABELS**

## **Fruit Juice or Fruit Drink?**

There is a really big difference between these two drinks. It will always state on the label whether it's a 'fruit juice' or 'fruit drink' so check the label carefully.

1. A 'Fruit Juice' must contain **100% fruit juice** and can have up to 4% added sugar.
2. A 'Fruit drink' must contain at least **5% fruit juice** and is generally sweetened with heaps of added sugar, making it an occasional/special treat drink.
