ATHLETICS

Students are currently involved in lunchtime Athletics. We hold a number of events prior to Sports Day to ensure that we get through all events. All students need to bring PE gear every day to enable us to hold these events.

Athletics Sports will be held next Wednesday 11th November – first event starts at 9am. Parents are encouraged to visit and support their child/children.

SELF REFERRAL CLINIC

The Student Health Clinic is open on Tuesday afternoons during school terms. Students will be able to access the clinic by making a booking through the school office. Parents wanting advice about their child's health and development are also welcome to book an appointment.

SAFETY ISSUE

It has come to our attention that there are some people – possibly some of our students – entering the old Duke Street Dairy.

The building is in a very dangerous state of repair and could be the cause of serious injury.

It is very important that parents and caregivers know where their children are at all times to keep them safe and out of trouble.
